

ROAD RANGERS

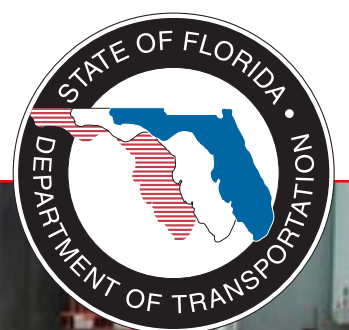

The Road Rangers, a program funded by the Florida Department of Transportation, are roving vehicles which patrol congested areas and high incident locations on the urban highways. Their purpose is to reduce crashes, help disabled or stranded motorists, assist with incidents that stop or slow down traffic, and remove road debris. All vehicles are white with the Road Rangers and Florida DOT logos affixed to the rear and sides of the vehicle. The service patrol drivers are all in uniform, and provide courteous, efficient service. There is no charge to you for services provided by the FDOT-sponsored Road Rangers.
